

# New Hampshire Water & Watersheds Conference ~2011

---

Dear Potential Conference Supporter:

The **2011 New Hampshire Water and Watersheds Conference – *From Our Headwaters to the Sea – Living in a Changing Water World*** will be held on Friday and Saturday, March 25-26, 2011 from 9:00 a.m. to 4:00 p.m. at Hartman Union Building, Plymouth State University, High Street, Plymouth, NH.

The purpose of the conference is to combine talent, resources, and audiences from a broad range of experts and issues into a unique, two-day event designed to meet the information and networking needs of lake, river, and watershed groups; environmental organizations; volunteer monitors; municipal board and staff members; elected officials; local and regional planners; policy makers; scientists; educators; consultants and students. This conference provides a state-wide forum for learning and networking about issues related to water resources in New Hampshire. You won't want to miss this opportunity to share information about your organization, products and services; as we have space to accommodate 500 people over the course of this two-day event!

Sponsorship of the conference is necessary and your support through a pledge for an amount listed below would be greatly appreciated. There are three recommended levels of support with associated benefits:

- **Conference Sponsor: \$500/2 days** – Includes your company name and logo in the conference program, an exhibit table, your company name and logo on tent cards placed at each table during lunch, a 24" x 36" poster at the front of the plenary room, announcements to the audience during the plenary presentations, which is heard by all participants, that your company sponsored the conference, and one complimentary conference registration including lunch.
- **Exhibitor: \$200/2 days** - Includes an exhibit table in a visible area near the refreshments for the duration of the conference and one complimentary conference registration including lunch.
- **Room Sponsor: \$150/day or \$200/2 days** – Includes a poster with your company name and logo placed at the front of one of the conference rooms, an announcement at the beginning of each session indicating that your company sponsored the room, and one complimentary conference registration including lunch.

This is a unique opportunity for you to contact and provide information to a wide audience interested in New Hampshire's water resources. **If you would like to become a conference supporter, please fill out the attached form and return it to NH Rivers Council at 54 Portsmouth St., Concord, NH 03301.** In addition, space for exhibitors is limited and will be granted on a first come first served basis. Please contact me at 603-228-6472 or email [josh@nhrivers.org](mailto:josh@nhrivers.org) for more information on exhibiting or sponsoring the conference.

Sincerely,

Joshua Cline, Executive Director  
New Hampshire Rivers Council
